**Lionel launches US\$2 million offshore venture**

*Wrisney Tan, Pattaya (2006-10-12)*

**BANGALORE**-based Lionel India has launched a US\$2 million venture, Lionel Offshore, an offshore business travel assistance division that provides outsourcing services in client management to international travel companies.

Lionel Offshore, based in New Delhi, will offer offshore TMC services including air ticketing, hotel and car reservations, global travel policy compliance and exception reporting, management information systems, strategic vendor contracting services and managing international and domestic MICE events. Another branch will be set up in Bangalore next month.
